

January 2018

Friends of Elgin Parks are kicking off their 2018 season with our 9th Annual Barn Concert on Saturday, February 24th. The concert will be held at the Elgin Parks and Recreation Department's new maintenance barn at **Elgin Memorial Park (1127 N Main St.)**, just next to the softball field. We are excited to hold the first public event at this great new location.

Clayton Gardner (<http://claytongardner.com>) will perform at 7:00 pm right after the traditional reception that begins at 6:00 pm. **Texas BBQ dinner with all the trimmings will again be provided by Prosperity Bank!** Please bring your chair and favorite adult beverage. **Please note: there is no smoking in or immediately outside The Barn.**

For the third year, we will have a silent auction with plenty of fun items you will want to bid on. We take credit cards, cash and checks!

Just a reminder: it is sometimes quite cool in and around the barn so bring wraps (or plan to dance all night).

Through donations from the community, the Friends stage Music in the Park and provide other park amenities each year. With the support of the Elgin community, the shows will continue. Note the start time of the April concert series has been moved to 7 PM.

Our brochure is included in this mailing and is also available here: <https://tx-elgin.civicplus.com/DocumentCenter/View/313>

Please join us! Joining F.O.E.P. does not obligate anyone to monthly meetings or lots of volunteer work. Most of our business is handled by email or phone. However, there are ways you can help us if you wish. We would love to have you join at any level. The completion of the new recreation center will mark a new chapter of fun and family for our Elgin Parks!

Music in the Park 2018
